**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of Sonic.com, for my telephone and internet service. The cost is a fraction of what I was formerly paying to AT&T, and the company is far more responsive when I have problems with my service (which happens no more frequently than it did with AT&T). If the giant companies like AT&T and Comcast are permitted to drive out small companies like Sonic, the public will suffer, both from higher prices and inferior service.
